The Department of Benefits and Family Support requests authorization to enter into new contract with Public Consultant Group for the period of April 1, 2021 to September 30, 2022 in an amount of \$179,339 plus a 10% contingency for a total amount not to exceed \$197,339. The purpose of the contract is to provide professional services for CalOAR implementation and planning that includes consultation, technical assistance and meeting facilitation to San Francisco County CalWORKs program.

Background

The California Department of Social Services (CDSS) established the California CalWORKs Outcomes and Accountability Review (Cal-OAR) to facilitate a local accountability system that fosters continuous quality improvement in county CalWORKs programs and in the collection and dissemination by the department of best practices in service delivery. The overall goal of the contract is to assist CalWORKs staff in completing the components of the Cal-OAR process, beginning with the County Self-Assessment (CSA), which will guide development of System Improvement Plan (SIP) for 2021-2025, a Continuous Quality Improvement (CQI) process with stakeholder involvement and a cross-county peer review.

Services to be provided

Public Consultant Group (PCG) will work closely with CalWORKs Planning team. The services will be divided into two phases.

Phase 1: Consultation on County Self-Assessment

The purpose of Phase 1 is to establish a shared understanding of the current strengths, needs, issues and system improvement themes from various inquiry processes with stakeholders, review of current data and other inputs to inform preparation of San Francisco's CSA Report.

Phase 2: Initial Planning for SIP Development

The purpose of Phase 2 is to define and coordinate planning for drawing from CSA findings to inform engagement of stakeholders in developing a SIP for 2021-2025.

See Attached Scope of Service for Details.

Selection

Contractor was selected through the Citywide Request for Qualification CON#RFQ2019-10 through, which was competitively bid in October 2019.

Funding

Funding for this contract is provided by State Funds
