The Department of Disability and Aging Services (DAS) requests authorization to enter into a contract with Merced Residential Care for the period of July 1, 2021 to June 30, 2025, in an amount of \$470,387, plus a 10% contingency for a total amount not to exceed \$517,426. The purpose of the contract is to promote the safety and well-being of APS clients through the provision of emergency placement services and supportive personal care services.

Background

The DAS program of Adult Protective Services (APS) identified a need for a care facility that is able to provide individual's needs and emergency placement services to APS clients: elders aged 65 or older and adults with disabilities over the age of 18 who are experiencing abuse, neglect, exploitation, or self-neglect. The emergency placement services will provide access to a safe respite bed, meals, and supportive personal care services on a 24-hour basis. The care facility is required to be experienced in providing services for people with cognitive impairment, developmental disabilities, and behavioral health needs.

The contractor has provided personalized care for the elderly and disabled for over 16 years. Their program is designed to meet the long-term care needs of older people and adults with disabilities who need assistance with their activities of daily living. Licensed by California's Department of Community Care Licensing, the contractor's staff is experienced with a variety of client needs including, dementia, Alzheimer's disease, and hospice care.

Services to be Provided

The Contractor shall provide a safe and secure placement for Adult Protective Services (APS) clients. The placement will be consistent with licensing requirements set by California's Community Care Licensing Division and will include shelter, food, and assistance with personal care and Activities of Daily Living, as needed, for up to 60 days. The Contractor shall ensure the following services and conditions during the term of this grant:

- Ensure that the APS program will have access to placement and care to at least three clients during the first 15 months of the contract; after that, to at least two clients during any given month.
- The third bed for the first 15 months is to assist clients displaced by the COVID 19 pandemic, and in particular to assist individuals who are required to move from the existing Shelter in Place (SIP) hotels that the City established as part of San Francisco's implementation of the Project Room Key initiative.
- For each referred client, provide a private bed within a licensed care facility.
- Provide accessible facilities for bathing and toileting (private and shared).

- Provide the following enhanced services:
 - Three meals daily
 - Regular housekeeping
 - Laundry service at least weekly
- Caregiving services: Assistance with bathing dressing, grooming, toileting, and medication reminders as needed by the APS client.
- Provide round-the-clock access to facilitate emergency placements from APS.
- Accept same day placement requests within 4 hours.
- Meet licensing requirements for managing the care of adults and elders with dementia as specified in the California Code of Regulations, Title 22, Section 87705.
- Provide each referred APS client a private space to store a reasonable amount of personal items.
- Provide tailored services to meet the needs of referred APS clients with special health or dementia needs.
- Required staffing shall include 24-hour stay-awake staff to monitor referred clients with special health or dementia needs and to ensure round the clock safety.
- The Contractor will maintain a connection with an established medical provider to facilitate medical reviews and medication orders, as needed.

Site Locations and Hours

Services are provided on a 24/7 basis at Merced Three Residential Care located at 1420 Hampshire Street, San Francisco, CA 94110 will be the sole contract facility.

Selection

Contractor was selected through Request for Proposals 933, which was competitively bid in May 2021.

Funding

Funding for this contract is provided through a combination of County General Funds, and Federal Funds provided through the State as a result of the federal American Recovery Act.
