The Department of Benefits and Family Support requests authorization to modify the existing grant with Arriba Juntos for an additional period of October 1, 2021 to September 30, 2023 and for an additional amount of \$180,940 plus a 10% contingency for a total amount not to exceed \$388,682. The purpose of grant is to link refugees, asylees, and trafficking victims resettled in San Francisco and its surrounding counties with local services and benefits that can improve their self-sufficiency.

#### Background

Recent data from U.S. Citizenship and Immigration Services indicates that there are 200,000 asylum applications pending in California. Over the previous two Federal Fiscal years, 1,038 asylum cases were approved in San Francisco County. The Human Services Agency (HSA) seeks to link these individuals to available refugee and self-sufficiency resources and services available throughout San Francisco County. The COVID-19 pandemic exposed a digital divide in San Francisco as well as nationwide, and HSA aims to support the refugee community to provide assistance with digital services.

#### Services to be Provided

Grantee will engage the community of government and community-based agencies to develop a list of current resources and contacts for refugees, promote relevant refugee services, and identify eligible clients. Grantee will make service and benefits referrals tailored to the clients' needs. These services will include but are not limited to language education and vocational training programs offered by various agencies in the Bay Area. Upon enrollment, Grantee will assess clients' digital literacy level and provide appropriate support services. Clients will also be referred to HSA intake for screening and possible enrollment in Refugee Cash Assistance (RCA), CalWORKs, CalFresh, and/or Medi-Cal. Grantee will connect this program's clients with workshops on social adjustment, cultural orientation, citizenship activities, and personal finance, among other services in the community.

Grantee will perform a minimum of 20 benefits linkage events to connect with refugees, asylees, trafficking victims, and/or individuals on Special Immigrant Visas every month. Over an annual period, 45 individuals referred through benefits linkages will enroll in HSA employment and training services, and will be provided case management services.

#### Selection

Grantee was selected through RFP 808, which was competitively bid in August 2018. Grantee was the sole respondent.

#### Funding

Funding for this grant is provided by State and Federal funds.
