VIRTUAL MEETINGS - BEST PRACTICES

- Join telephonically from a quiet location. Keep phone muted when not speaking. Join on the web with a headset plugged into the computer or select a quiet location if using the laptop/computer speakers/audio without a headset. Remain muted unless you are a meeting presenter, or the operator opens the call for public commentary.
- Speak slowly and clearly.
- Turn off any televisions or radios around you when not muted.
- Address the Commission as a whole, do not address individual Commissioners.
- A wired ethernet connection may provide faster speeds & a generally better, clearer experience than Wi-Fi.
- Switch to call-in audio: If your internet audio and video experience does not work, you can keep collaborating. Call in using the dial-in number to join via your cell phone or landline. If the primary phone number that is provided is temporarily unavailable, try calling again.
- For additional tips to ensure a successful tele- & web-conference, contact the Commission Secretary at (415) 557-6540.
