The Department of Aging and Adult Services (DAAS) requests authorization to enter into a new grant with Family Caregiver Alliance for the 2.5 year period of January 1, 2018 to June 30, 2020 in an amount of \$1,250,000 plus a 10% contingency for a total amount not to exceed \$1,375,000. The purpose of the grant is to provide Respite Care.

Background

On November 8, 2016 the voters of the City and County of San Francisco passed Proposition I that established the Dignity Fund to ensure the health and well-being of seniors and adults with

disabilities. The Fund is administered by the Department of Aging and Adult Services (DAAS) solely to help seniors and adults with disabilities secure and utilize the necessary services and support to live with dignity in their own homes and communities. The City Charter Amendment for the Fund established an eleven (11) member Oversight and Advisory Committee (OAC) to monitor and support the administration of the Dignity Fund. The OAC is responsible for developing recommendations for DAAS regarding services to seniors and adults with disabilities that are supported by the Fund. DAAS is committed to the defined goals in the City Charter and with input from the OAC developed an allocation plan based on known areas of need for seniors and adults with disabilities. This allocation plan contained a caregiver support initiative that included enhanced respite care.

Respite care provides caregivers with temporary in-home or out of home relief from caregiving responsibilities. Respite care is designed to help sustain caregiver health and well-being by giving them short-term breaks which is instrumental in enabling the care receiver to remain in the home and prevent or delay the need for a higher level of care.

Services to be Provided

The Grantee will provide respite care through private in-home care or out-of-home care such as attendance at an adult day program. Respite care may be provided directly by the grantee or through one of its identified subcontractors. The target population is unpaid caregivers, 18 years of age and older. Both the caregiver and care receiver must live in the City and County of San Francisco. Respite care shall be provided in a manner that responds to the individual needs and preferences of the caregiver and care receiver. The frequency of respite may be intermittent, occasional, and/or emergency.

- Intermittent Time off a few hours once a week for a limited time to give the caregiver a planned or unscheduled break.
- Occasional Time off for the caregiver to attend a special event.
- Emergency Extended break to address an intervening circumstance, such as caregiver emotional stress or hospitalization and recovery.

On an annual basis, the Grantee will provide respite care to a minimum of 150 unduplicated consumers and provide a minimum of 24,048 hours of respite care to consumers registered in the Dignity Fund Respite Care Program.

The success of the Grantee will be measured through both the service and outcome objectives defined in Appendix A.

For more specific information regarding the services, defined objectives, and target population, please refer to the attached Appendix A.

Grantee Performance

This is a new grant for both Family Caregiver Alliance and DAAS. There is no monitoring history specific for this respite program to report at this time. Family Caregiver Alliance is a current DAAS contractor and in compliance with performance and monitoring requirements for all other DAAS contracts. They were last monitored in February 2017.

Selection

Contractor was selected through Request for Proposals 766, which was competitively bid in September 2017.

Funding

Funding for this grant is provided by County General Funds, specifically the Dignity Fund. The Dignity Fund Caregiver Support Respite Care program is distinct from the Family Caregiver Support Program (FCSP) funded by DAAS with Older American Act subsidy through the California Department of Aging.

FAMILY CAREGIVER ALLIANCE

DIGNITY FUND CAREGIVER SUPPORT - RESPITE CARE

January 1, 2018 – June 30, 2020

I. Purpose

The purpose of this grant is to provide respite care for unpaid caregivers, 18 years of age or older residing in San Francisco, who are caregivers of older adults and/or adults with disabilities living in the City and County of San Francisco.

Respite care is designed to help sustain caregiver health and well-being by giving them short-term breaks which is instrumental in enabling the care receiver to remain in the home and prevent or delay the need for a higher level of care.

The Dignity Fund Caregiver Support Respite Care program funded by this grant agreement is distinct from the Family Caregiver Support Program (FCSP) funded by DAAS with Older Americans Act subsidy through the California Department of Aging. The source of funding for Dignity Fund Caregiver Support Respite Care program is local funding only through the Dignity Fund.

ADA Compliance (Disability Access and Reasonable Accommodation Requirements)	The grantee shall comply with the Americans with Disabilities Act (ADA) that requires that people with disabilities have equal opportunity to participate in its programs and services. The ADA does not allow denial of entry to City-funded programs, benefits, activities or services, simply because of a disability.
	Communication Access - The ADA requires that City-funded agencies communicate to people with disabilities in a manner that is as effective as communication with others. This may require providing services such as: Large print or Braille (for people with visual impairments), ASL interpreters or captioning (for people with hearing impairments), Readers (for people with learning disabilities, or other cognitive or visual impairments), Communicating via TTY or the California Relay Service (by dialing 7-1-1)
	Programmatic Access - The ADA also requires that City- funded agencies modify their policies, practices and procedures in order to provide equal access for a person with a disability. Examples of this may include: Assistance in

II. **Definitions**

	filling out forms; An appointment so a person does not have to wait in a long line or in a crowded and noisy room; Changing a work assignment to accommodate a person's disability Architectural Access - The ADA also requires that a program's service areas, including bathrooms, public telephones, drinking fountains, etc., be architecturally accessible to people with disabilities. In addition, the grantee shall: Post signs in lobbies and in other waiting areas, in several languages, informing clients of their right to assistance and/or accommodations as persons with disabilities; Provide a process and develop forms for clients to request reasonable accommodations and modifications, which may include a Release of Medical Information Form and Certification of Medical Need Form; Require medical verification when applicable to establish the need for an accommodation; Require intake workers to engage in the interactive process with clients to determine any special needs or requests for accommodations and note this information in the clients' record; Make formal arrangements with interpreting services or community groups for competent and timely interpreter services for deaf/hard of hearing clients; Allow but not require clients to provide their own sign language interpreter; Allow minors (under 18) to act as interpreters for clients only in emergencies or extenuating circumstances; Provide training to ensure that staff have a better understanding of, and sensitivity to, individuals with disabilities; Provide notice to and train all staff, particularly client contact staff, with respect to the Agency's obligation to provide equal services to people with disabilities, and on the disability/accommodation policies and the procedures to be followed in securing such assistance in a timely manner; Insert notices, in appropriate languages, about the right of people with disabilities to equal delivery of services in brochures, pamphlets, manuals, and other materials disseminated to the public and to staff; Provide notice to the

III. Target Population

This grant will serve unpaid caregivers, 18 years of age or older, residing in San Francisco and who are caregivers of older adults and/or adults with disabilities living in the City and County of San Francisco having two or more activities of daily living limitations or a cognitive impairment. Additional target priorities may include:

- Low Income
- Non or limited –English speaking
- Minority as defined by race and/or ethnicity, religion, sexual orientation, and/or gender identity

IV. Description of Services

The service funded through this grant agreement is for eligible caregivers as defined in Section II and III of this appendix A.

Respite Care means a brief period of relief or rest from caregiving responsibilities, and is provided to caregivers in a manner that responds to the individual needs and preferences of the caregiver and care receiver. Respite care is intended to reduce caregiver burden and prevent or delay the need for institutionalization thereby supporting seniors and adults with disabilities to live with dignity in their own homes and communities.

- A. Grantee will provide respite care through private in-home care and out-of-home care such as attendance at an adult day program or overnight in a residential care facility. Respite care may be provided directly by the grantee or through one of its identified subcontractors. The frequency of respite can be intermittent, occasional, and/or emergency and are defined as follows:
- Intermittent Time off a few hours once a week for a limited time to give the caregiver a planned or unscheduled break.
- Occasional Time off for the caregiver to attend a special event.
- Emergency Extended break to address an intervening circumstance, such as caregiver emotional stress or hospitalization and recovery.
- B. Grantee will maintain its ability to offer both in-home and out-of-home care and ensure that the needs of both the caregiver and care receiver are met when respite care is provided.
- C. Grantee will determine the type and amount of respite care during the caregiver assessment process and the caregiver shall have the option to secure respite care as defined in this grant agreement, in the manner that best suits their needs and the needs of the care receiver. Grantee will make other referrals to other needed services if appropriate and able.
- D. Grantee will follow up with caregivers as needed and at least annually to ensure that the needs of both the caregiver and care receiver are continuing to be met.
- E. Grantee will have policy and procedures that are compliant with local/city, state, and federal regulatory agencies, including the DAAS-OOA policy memoranda manual.

- F. Grantee will maintain at least two Memorandums of Understanding (MOUs) with community based organizations in San Francisco that allocate a portion of direct respite care funding to specified community based organizations to help ensure that San Francisco's diverse population of caregivers is served. The community based organizations and allocations are identified in Appendix B.
- G. Grantee will ensure that community based organizations sub-contracted to provide respite care are experienced in providing respite care services to caregivers and also have policy and procedures that are compliant with local/city, state, and federal regulatory agencies, including DAAS-OOA policy memoranda manual.
- H. Grantee will notify DAAS of modifications to MOUs and/or additional partnerships that result in the reallocation of respite care funding identified in Appendix B and these modifications and/or additions are subject to DAAS approval.
- I. Grantee will ensure that respite care provided through this grantee agreement is tracked and distinguishable from respite care delivered through the Family Caregiver Support Program (FCSP) funded by DAAS with Older Americans Act subsidy through the California Department of Aging. The tracking will include the type of respite care provided, in-home or out-of-home, the numbers of hours, and to whom payment for respite care was sent. When respite care is provided in-home and payment is sent directly to the caregiver, the Grantee must provide the caregiver with guidelines and procedures for hiring an aide to provide respite care.

V. Location and Time of Services

The details of the sites and operation hours are as attached in the Site Chart (Appendix F).

VI. Service Objectives

On an annual basis, Grantee will meet the following service objectives:

- Grantee will provide Respite Care to a total of <u>150</u> unduplicated consumers.
- Grantee will provide a total of <u>24,048</u> hours of Respite Care to consumers registered in the Dignity Fund Respite Care Program.

Service Objective Summary Table	FY 2017- 2018*	FY 2018- 2019	FY 2019- 2020	Total 3- years
Number of Unduplicated Consumers	75	150	150	375

*Year One, FY 2017-2018, is 6 months only				

One (1) Unit = One (1) hour of service provision and related travel

VII. Outcome Objectives

On an annual basis, the Grantee will meet the following outcome objectives:

- A. Based on an annual consumer survey created by the grantee with input from DAAS with sample size of at least 60% of unduplicated consumers, at least 85% of the surveyed consumers will report they are satisfied with the respite services provided.
- B. Based on an annual consumer survey created by the grantee with input from DAAS with sample size of at least 60% of unduplicated consumers, at least 75% of the surveyed consumers will report that respite services supported their general well-being.
- C. Based on an annual consumer survey created by the grantee with input from DAAS and with sample size of at least 60% of unduplicated consumers, at least 75% of the surveyed consumers will report that the respite care enabled them to provide quality care that suited the needs of the care receiver.
- D. Based on an annual consumer survey created by the grantee with input from DAAS and with sample size of at least 60% of unduplicated consumers, at least 75% of the surveyed consumers will report that the respite care allowed them to take care of other responsibilities.
- E. Based on an annual consumer survey created by the grantee with input from DAAS and with sample size of at least 60% of unduplicated consumers, at least 75% of the surveyed consumers will report that the respite care helped avoid mental exhaustion.
- F. Based on an annual consumer survey created by the grantee with input from DAAS and with sample size of at least 60% of unduplicated consumers, at least 50% of the surveyed consumers will report that the respite care helped minimize physical exhaustion.

VIII. Reporting Requirements

- A. Grantee will provide a monthly report of activities as described in Section IV and VI. Grantee will enter the monthly metrics in the CARBON database by the 15th of the following month.
- B. Grantee will enroll consumers into the program funded through this grant agreement by entering the consumer data obtained from consumers using the DAAS provided or DAAS approved intake form into the CA.GetCare database in accordance to DAAS policy.
- C. Grantee will enter into the Ca.GetCare Service Unit section all the units of service by the 5th working day of the month for the preceding month.
- D. Grantee will enter monthly reports into the CARBON database system that includes the following information:
 - Number of unduplicated consumers served during the month.
 - Number of Respite Care units/hours during the month

- E. Grantee will provide an annual report summarizing the contract activities, referencing the tasks as described in Section VI & VII- Service and Outcome Objectives. This report will also include accomplishments and challenges encountered by the Grantee. Grantee will enter the annual metrics in the CARBON database by the 15th of the month following the end of the program year.
- F. Grantee shall issue a fiscal closeout report at the end of the fiscal year. The report is due to HSA no later than July 31 each grant year. This report must be submitted in the CARBON system. Additional reports may be requested and required at other points during the fiscal year.
- G. Grantee will provide an annual consumer satisfaction survey report to DAAS by March 15 each grant year or a mutually agreed upon date between DAAS and the Grantee.
- H. Grantee shall develop and deliver an annual summary report of SOGI data collected in each grant year as requested by HSA. The due date for submitting the annual summary report is no later than July 10 each grant year.
- I. Grantee shall develop and deliver ad hoc reports as requested by HSA and/or DAAS.
