ANNUAL AMOUNT:	FY 17-18 \$333,001	FY 18-19 \$500,000	FY 19-20 \$500,000							
FUNDING: PERCENTAGE:	<u>County</u> <u>Sta</u> \$1,333,001 100%	ate <u>Federal</u>	Contingency \$133,300	<u>Total</u> \$1,466,301 100%						

The Department of Aging and Adult Services (DAAS) requests authorization to enter into a grant with Project Open Hand for the period of January 1, 2018 to June 30, 2020, in the amount of \$1,333,001 plus a 10% contingency for a total amount not to exceed \$1,466,301. The purpose of the grant is to provide nutrition support and supportive services to seniors and adults with disabilities living in the City and County of San Francisco who have been identified as food insecure and have a diagnosed chronic disease.

Background

On November 8, 2016 the voters of the City and County of San Francisco passed Proposition I that established the Dignity Fund to ensure the health and well-being of seniors and adults with disabilities. The fund is administered by the Department of Aging and Adult Services (DAAS) solely to help seniors and adults with disabilities secure and utilize the necessary services and

support to live with dignity in their own homes and communities. The City Charter Amendment for the Fund established an eleven (11) member Oversight and Advisory Committee (OAC) to monitor and support the administration of the Dignity Fund. The OAC is responsible for developing recommendations for DAAS regarding services to seniors and adults with disabilities that are supported by the Fund. DAAS is committed to the defined goals in the City Charter and with input from the OAC developed an allocation plan based on known areas of need for seniors and adults with disabilities. This allocation plan contained a nutrition and wellness initiative that included funding for a new nutrition program centered on providing nutrition support and services aimed at having a positive impact on consumers' health outcomes specific to a chronic disease diagnosis.

Services to be Provided

The grantee will provide nutrition support and supportive services to seniors and/or adults with disabilities living in the City and County of San Francisco who have been screened by the grantee as food insecure and have a diagnosis of at least one of the following chronic diseases:

- 1. Diabetes
- 2. Coronary Heart Disease/Congestive Heart Failure

On an annual basis, the Grantee will provide nutrition support and supportive services to a minimum of 250 unique consumers with the goal of demonstrating a positive impact on a health outcome specific for the chronic diseases identified. The nutrition support and supportive services will be provided by qualified professionals and in a manner that responds to the individual needs and preferences of the enrolled consumers.

Nutrition support will be in the form of a prepared meal or grocery bag, provide at least one third (1/3) of the consumer's daily caloric requirement, and follow the most current dietary recommendations for the consumer's identified chronic disease. Supportive services offered to consumers will be complementary to the nutrition support provided and includes nutrition counseling, nutrition education through classes, cooking demonstrations, and printed nutrition education material.

For those consumers enrolled with a diagnosis of diabetes, improved blood glucose control, weight loss/control and/or medication adherence are the outcome measures that will be recorded. For those consumers enrolled with a diagnosis of coronary heart disease and/or congestive heart failure, frequency of hospitalization will be documented. All enrolled consumers' level of food security will be tracked.

For more specific information regarding the service objectives, including the type and number of service units, outcome objectives, and budget, please refer to attached Appendices A, B, & F. Please note that there are three (3) separate Budgets: (1) Medically Tailored Meals, (2) Medically Tailored Groceries, and (3) Supportive Services.

Performance

This is a new grant for both Project Open Hand and DAAS. There is no monitoring history specific for this program to report at this time. Project Open Hand is a current DAAS contractor

and in compliance with performance and monitoring requirements for all other DAAS contracts. They were last monitored in April 2017.

Selection

Grantee was selected through Request for Proposal #772, which was competitively bid in September 2017.

Funding

Funding for this grant is provided by County General Funds, specifically the Dignity Fund.

III. Target Population

This grant will serve seniors and/or adults with disabilities living in the City and County of San Francisco. Eligibility criteria for program enrollment must include food insecurity as determined by a validated food screening questionnaire and a diagnosis of at least one of the Chronic Diseases identified in Table A. Additional target priorities may include:

- Low-income
- Non or limited English speaking
- Minority as defined by race and/or ethnicity, religion, sexual orientation, and/or gender identity.

IV. Description of Services

- 1. Grantee will provide Nutrition Support and Supportive Services as defined in Section II to consumers enrolled in the Nutrition and Supportive Services for Healthy Outcomes program who have been screened as food insecure by the grantee and have at least one diagnosed chronic disease identified in Table A.
- Grantee will administer a validated USDA Household Food Security Module to assess consumers' eligibility. At minimum the grantee will use the USDA Household Food Security Module: Six-Item Short Form. Those consumers who are identified as low or very low as defined by the USDA Household Food Security Module will be considered food insecure.
- 3. Grantee will include at least two different chronic diseases as eligibility criteria for enrollment in the program and they are identified in Table A below:

Table A	Chronic Disease
1.	Diabetes
2.	Coronary Heart Disease and/or Congestive Heart Failure

- 4. Grantee will conduct a six (6) month reassessment of each consumer enrolled in the program through a medical provider to reconfirm chronic disease diagnosis, eligibility and obtain any clinical data relevant to the outcome measures defined in Section VII-Outcome Objectives. The grantee may also enroll consumers for consecutive enrollment terms.
- 5. Grantee will dis-enroll any consumer who is no longer eligible and/or who is not participating in both components of the program, Nutrition Support and Supportive Services.
- 6. Nutrition Support Units shall be prepared in a food service facility that operates in accordance with the most recent California Retail Food Code and local regulations. The grantee shall ensure that a RD/RDN or an individual with a valid food safety certification oversees the safety and sanitation components of the program.
- 7. Nutrition Support Units will provide consumers with daily nutrition support, delivering up to one hundred percent (100%), and not less than one third (1/3) of a consumer's daily caloric requirement, follow the most current dietary recommendations for the chronic disease(s) identified in Table A.
- 8. The calories and content of the Nutrition Support Unit shall be reviewed and approved by a RD/RDN who is either employed by the grantee or hired as a consultant. The RD/RDN must document that the Nutrition Support Unit is appropriate dietary intake for the consumer.
- 9. The type of Nutrition Support and Supportive Services provided by the grantee shall be determined during the intake process by a qualified staff member.
- 10. The grantee will comply with the City's food service waste reduction ordinance (File #06094), and use reusable, biodegradable, compostable and/or recyclable food service supplies.
- 11. The grantee will provide the support services defined in Table B below. The supportive services will be directed at achieving health outcomes identified in Section VII-Outcome Objectives specific to the chronic diseases listed in Table A. Supportive services must be provided by qualified professionals.

Table B	Supportive Services						
1.	One-to-One Nutrition Counseling; Must be provided by a RD/RDN						
_	who is covered by professional liability insurance.						
2.	Nutrition Education Classes; Must be planned, approved and coordinated by a RD/RDN.						
3.	Cooking Demonstration: Must be reviewed and approved by a RD/RDN.						
4.	Education Material; Must be reviewed and approved by a RD/RDN.						

- 12. The grantee shall ensure adequate and culturally competent staffing (paid and/or volunteer) to administer the program, deliver quality services to meet the needs of the consumer, and adhere to all the program standards.
- 13. The grantee will be compliant with the Health Insurance Portability and Accountability Act of 1996 (HIPAA) privacy and security rules.
- 14. Grantee will have policy and procedures that are compliant with local/city, state, and federal regulatory agencies, including the DAAS-OOA policy memoranda manual.
- 15. Grantee will ensure that units of service provided through this grant agreement are tracked and distinguishable within each of the categories of nutrition support and supportive services not "co-mingled" with other DAAS funded nutrition programs.

V. Location and Time of Services

The details of the sites and operation hours are as attached in the Site Chart, (Appendix F).

VI. Service Objectives

On an annual basis, the grantee will meet the following service objectives:

- 1. Grantee will provide Nutrition Support and Supportive Services to a total of <u>250</u> unduplicated consumers.
- 2. Grantee will provide a total of <u>57,777</u> Nutrition Support Meals to consumers enrolled in the Nutrition and Supportive Services for Healthy Outcomes Program.
- 3. Grantee will provide a total of <u>6,500</u> Nutrition Support Grocery Bags to consumers enrolled in the Nutrition and Supportive Services for Healthy Outcomes Program.
- 4. Grantee will provide a total of <u>590</u> hours of Supportive Services to consumers enrolled in the Nutrition and Supportive Services for Healthy Outcomes Program.

VII. Outcome Objectives

On an annual basis, the Grantee will meet the following Outcome Objectives:

- 1. A minimum of 75% of unduplicated consumers will remain actively enrolled in the program for the entire Enrollment Term.
- 2. A minimum of 75% of unduplicated consumers enrolled in the program will report an increase in food security as a result of program participation as evidenced by a pre and post assessment using the USDA Household Food Security Module: Six-Item Short Form. The pre and post assessment tool is subject to DAAS approval.
- 3. A minimum of 65% of unduplicated consumers with a diagnosis of diabetes will experience a reduced HbA1c (decrease of 10% or more), weight loss/control, or increased medication adherence as verified by the consumer's health care provider and documented by grantee.
- 4. A minimum of 65% of unduplicated consumers with a diagnosis of congestive heart failure or coronary heart disease will experience a reduction in hospitalization as evidenced by the quality of life questionnaire and verified by the consumer's health care provider.
- 5. A minimum of 75% of unduplicated consumers enrolled in the program will report that their participation in the Nutrition and Supportive Services for Healthy Outcomes program helped maintain or improve their health.
- 6. A minimum of 75% of unduplicated consumers enrolled in the program will report that the Support Services received increased their knowledge of nutrition in addressing diabetes, heart disease, and/or overall health.

VIII. Reporting Requirements

- 1. Grantee will provide a monthly report of activities as described in Section IV and VI. Grantee will enter the monthly metrics in the CARBON database by the 15th of the following month.
- 2. Grantee will enroll consumers into the program funded through this grant agreement by entering the consumer data obtained from consumers using the DAAS provided or DAAS approved intake form into the CA.GetCare database in accordance to DAAS policy.
- 3. Grantee will enter all required demographic consumer data in CA.GetCare. The grantee will track and record the units of service received by enrolled consumers in CA.GetCare.

- 4. Grantee will enter into the CA.GetCare Service Unit section all the units of service by the 5th working day of the month for the preceding month.
- 5. Grantee will enter monthly reports into the CARBON database system that includes the following information:
 - Number of unduplicated consumers served during the month. •
 - Number of Nutrition Support Units-Meals
 - Number of Nutrition Support Units-Grocery Bag
 - Number of Support Service Units
- 6. Grantee will provide an annual report summarizing the contract activities, referencing the tasks as described in Section VI & VII- Service and Outcome Objectives. This report will also include accomplishments and challenges encountered by the Grantee. Grantee will enter the annual metrics in the CARBON database by the 15th of the month following the end of the program year.
- 7. Grantee shall issue a fiscal closeout report at the end of the fiscal year. The report is due to HSA no later than July 31 each grant year. This report must be submitted in the CARBON system. Additional reports may be requested and required at other points during the fiscal year.
- 8. Grantee will provide an annual consumer satisfaction survey report to DAAS by March 15 each grant year or a mutually agreed upon date between DAAS and the grantee.
- 9. Grantee shall develop and deliver an annual summary report of SOGI data collected in each grant year as requested by HSA. The due date for submitting the annual summary report is no later than July 10 each grant year.
- 10.Grantee shall develop and deliver ad hoc reports as requested by HSA and/or DAAS.
